Dear Sir/ Madam,

I am writing to apply for Java Software Developer position. I have found this position very interesting and believe that my technical background can make me an applicable candidate.

I am a graduate Computer Science student. Education in the University of Bonn gave me a lot of theoretical knowledge. In university courses, projects and labs, I implemented solutions for various problems in the several fields.

The opportunity presented in this listing is very interesting, and I believe that my strong technical experience and education will make me a very competitive candidate for this position. The key strengths that I possess for success in this position include:
1. I strive for continued excellence
2. I have successfully designed, developed, and supported live use applications
3. I provide exceptional contributions to customer service for all customers

Please see my resume for additional information on my experience.

I can be reached anytime via email at sattari4@hotmail. com or my cell phone, +4917668392854.

Thank You for your time and consideration. I look forward to speak with you about this employment opportunity.

Kind regards,
Rahimbayli Sattar.
